Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Jennifer Aniston How You Approach Relationships

You're a real smoothie, refined and ever so facile when it comes to handling other people -- a diplomat. And yet -- despite all of this apparent calm -- you like your partners anything but cool. You can't

resist impulsive and action-oriented people -- the more daring, the better. You bring out the recklessness in those you love, and you love it. Although at first meeting one might never suspect this, you love to walk on the wild side.

Aries on 7th Cusp

Relationships tend to be hot and heavy. You are drawn to partners who are aggressive, assertive, and very emotional. Independence and adventure are things you value in others. You tend to depend on your partners to get you motivated and keep you moving. You need someone who is stimulating emotionally.

Mars Ruler of 7th

Report for Jennifer Aniston

Strengths in your relationships

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Sextile Sun (orb: 00 06')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Sextile Pluto (orb: 00 43')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Sextile Neptune (orb: 01 49')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Trine Saturn (orb: 02 08')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 02 15')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all

kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 03 01')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Conjunction Neptune (orb: 04 48')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 04 48')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Trine Pluto (orb: 05 54')

Report for Jennifer Aniston

Challenges in your relationships

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

Sun Square Mars (orb: 00 28')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Square Pluto (orb: 01 17')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Opposition Jupiter (orb: 03 59')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 05 16')

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

Venus Opposition Uranus (orb: 05 46')

Your Relationship with Brad Pitt

Ideas just bubble up when the two of you get talking. You may never find better support for all your mental gymnastics than you do in Brad. Here's communication where there is feeling behind all of the words. You will find that you can search deep within yourself when you are together. You have in Brad an appreciative audience for almost anything that you may think or write about. You might travel together.

His Moon in Your Third House

At last, someone you can really talk with. You should have become instant friends from the very start. Brad is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with him. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. Even if lovers, you will always be first and foremost, good friends.

His Sun in Your Third House

He is a talker, and you're no slouch yourself. When the two of you get together there is little room for anyone else in the conversation. You both connected intellectually and mentally from the very beginning and seem to have a world of things to discuss. When you can't get together, you may talk on the phone or write voluminous letters to one another. Communication is so strong between you that it is possible for you to team up and collaborate on writing or speaking projects. Take the show on the road.

His Mercury in Your Third House

Here is a real admirer of your mind and mental qualities. Above all he loves to share ideas with you, whether by phone, letter, or in person. There is endless chatter when you two get together. This relationship could find you waxing very eloquent and becoming downright creative. You might feel that your ideas and thoughts are worth writing down after being with him. He probably laughs at all your jokes and even dotes on the poetry you write.

His Venus in Your Third House

Brad is quite direct and may tend to come on strong, even to the point of aggressiveness. Or, he may evoke a strong verbal response on your part. Whatever the effect, you will find that interchange with him has the result of moving you to think and to have new ideas. Communication will be brisk and may involve lots of emotion. You could find all of this refreshing, inspiring, and just what you need to set you going on some project involving writing or communication.

His Mars in Your Third House

You love to work together. Brad has a knack for getting you involved and feeling more responsible. He may introduce you to many new ideas concerning food, health, exercise --

new-age ideas. You may have found yourself caring more about other people and about all of life when you are with him. You have become more self-sufficient through knowing him. He may influence your work situation too, especially in how you get along with subordinates.

His Jupiter in Your Sixth House

Brad loves routine. He takes the domestic scene very seriously and especially loves to work around the home. You may find this helpful at times, but more likely you will experience it as restricting. There is a sense of heaviness, as if limits have been set on the experience of just living out a day. On the up side, there is a great sense of security and provision.

His Saturn in Your Fourth House

Brad has the capacity for introducing you to radically new goals and groups of people. Perhaps through him you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. He has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. He is anything but boring.

His Uranus in Your Eleventh House

You find Brad enchanting and are easily carried away by his eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

His Neptune in Your First House

He is very dynamic, and you probably met him in a group of friends or at a community function. He may instantly set about forming a new group of friends for you to hang around with, or he may advise you on which groups and projects are really worthwhile. Brad will strip away a lot of needless social niceties. Through him you may be exposed to a more radical form of politics or group goal than heretofore. He is very serious about all of this.

His Pluto in Your Eleventh House

The two of you feel a lot of attraction for each other, but often as not you end up at opposite ends of the couch. You may not appreciate his more aggressive nature or the way he acts. You may not like the way he makes you feel. He feels unappreciated.

Your Venus Square His Mars (orb: 00 48')

You may feel that his attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering his neat little universe from time to time. You feel repressed by him.

Your Mars Square His Saturn (orb: 04 42')

He may feel that you don't take his ideals seriously enough, and that you discount his more imaginative and creative side. You may feel that he is unrealistic, only fooling himself, and is always getting carried away with one thing or another. There could be deception.

Your Sun Square His Neptune (orb: 06 34')

You don't like the way he thinks and expresses himself. You just don't appreciate many of the things he says to you. This bugs him, and he may insist on going against your own set of values.

How You Approach Relationships

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

Gemini on 7th Cusp

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

You love people and working with the public.

Mercury Conjunction Mars (orb: 06 05')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Conjunction Mercury (orb: 06 43')

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Your Relationship with Jennifer Aniston

You knew from the moment you met her that here was a person who couldn't help but be supportive to you. She approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because she is so indiscriminating, the temptation is to add her to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

Her Moon in Your First House

At last, someone you can really talk with. You should have become instant friends from the very start. Jennifer is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with her. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. Even if lovers, you will always be first and foremost, good friends.

Her Sun in Your Third House

She becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that she truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find her suggestions to the point and almost always productive. You might like to take her on as a business partner just for her financial insight.

Her Mercury in Your Second House

She seems to appreciate your more domestic and homey qualities. She likes the way you feel, physically and emotionally. Jennifer tends to bring out the parent or protector in you and tends to banish your thoughts of coolness and distance. You have thoughts of home life and domesticity when you are with her. The idea of putting down roots, settling down, and just living life takes on value through knowing her.

Her Venus in Your Fourth House

Jennifer has the effect of moving you to give up old habits and unwanted traits. She motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, she may tend to badger and shame you a bit. All in all, her influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

Her Mars in Your Twelfth House

There are real career opportunities in knowing Jennifer. She may be the key to providing you with insight as to how you can improve your position or social standing. She has an obvious integrity and sense of fairness that could serve to make you more upright and respected. She has the capacity to show you the way to more practical control and achievement. A great business partner.

Her Jupiter in Your Tenth House

Jennifer loves routine. She takes the domestic scene very seriously and especially loves to work around the home. You may find this helpful at times, but more likely you will experience it as restricting. There is a sense of heaviness, as if limits have been set on the experience of just living out a day. On the up side, there is a great sense of security and provision.

Her Saturn in Your Fourth House

She may have had an unexpected effect on your career or life direction. Jennifer may have come into your life rather suddenly and been a disturbing factor. Perhaps she urges you to break away and dare to try new things. She may provide you with needed insights, point out unusual opportunities. You sense that she knows what you are about and understands your situation. She could be, for you, an unusual but respected authority figure.

Her Uranus in Your Tenth House

This relationship is potentially a very useful one. Through Jennifer you get a real sense of self-sacrifice and working for the benefit of all mankind. You may be swept up in an almost dreamlike state, able to be very forgiving and understanding. You may feel a little saintlike. On the down side, the whole thing can find you carried away to the point of neglecting the realities of life. You might give all your possessions away. Who knows if that would be a good or a bad thing?

Her Neptune in Your Twelfth House

A different kind of teacher. Jennifer tends to view life and philosophy just the way you do. She may take the lead when it comes to introducing you to new ideas and getting rid of worthless pipe dreams. She is an intellectual challenge, and does not hesitate to throw ideas of yours out the window that she finds not to the point. You will seldom find someone who is as intellectually aggressive, a kind of mental purgative. She can change your basic philosophy of life.
